8.7 If the Customer has paid an amount of charges in advance and that the amount is less than the amount of charges payable for that period (including the effect of variation to charges during a period), the Customer shall pay to WTT for the difference between the amount paid in advance and the amount of charges so payable.

8.8 Notwithstanding the foregoing WTT may at any time issue an interim statement for charges due at the date of issue requiring payment of those charges immediately or within a specified period, and on issue of such an interim statement or demand, those charges are so due and payable by the Customer to WTT.

9.2 The receipt by WTT of such a security or advance payment will not relieve the Customer from compliance with the Contract as to payment of periodical charges in advance, nor constitute a waiver or modification of the terms and conditions of the Contract for the suspension or termination of a Service for non-payment of any charges.
